

Town of Trenton, Washington County, Wisconsin

Resolution 2026.07.01

Resolution Authorizing the Washington County Community Development Department to Provide Advanced Professional Planning Services Town of Trenton as Part of the Washington County Shared Revenue Grant Program

WHEREAS, the Washington County Board of Supervisors supports the sharing of services among municipalities to create efficiencies in the operation of local government; and

WHEREAS, Washington County and the Town of Trenton see value in the County providing Advanced Planning Services to the Town as a means by which such efficiencies can be created; and

WHEREAS, the Town of Trenton and Washington County desire to enter into a shared services agreement whereby Washington County's Community Development Department will provide Planning Services to the Town; and

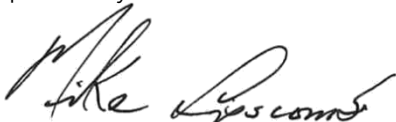

WHEREAS, it is expected that the services Washington County provides can include assistance with a variety of planning, zoning, research, ordinances, public participation events and surveys and review of development proposals and site plans; and

WHEREAS, to serve the Town, the County will extend its existing infrastructure to cover the Town, the cost of which is considered part of Shared Revenue Grant Program; and

WHEREAS, it is anticipated that the standardization of planning services and cost structure will help protect the citizens of the Town and the County and will allow for savings in overall personnel costs due to economies of scale they would not otherwise recognize separately;

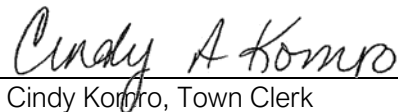

NOW, THEREFORE, BE IT RESOLVED that the Town of Trenton agrees to enter into negotiations with Washington County to develop a shared services agreement to carry out the purpose of this Resolution.

Approved by the Town Board on July 20, 2026.

Mike Lipscomb, Town Chairman
